BRAMHAM INTERNATIONAL HORSE TRIALS

What is Eventing?

Dressage – Thursday and Friday

Dressage combines supreme control and technical excellence. The slightest - often unseen - signal from the rider alters the direction and movement of the horse. Performing a set number of moves over a fixed course, for dressage, horses must be highly trained and extremely fit.

Cross Country - Saturday

Horses and riders tackle up to 36 obstacles over about 6km in one of the sports most exciting events. Technical perfection, peak condition and diverse skills are required for this energising spectacle.

Show Jumping - Sunday

Nothing beats it for judgment, speed and accuracy. Show jumping sees horses jump a set combination of jumps in a stated order. Blocking out all distractions, riders must focus on their horse, obtain clean jumps to avoid penalties and keep their turning crisp and tight.

Hospitality

Set within the beautiful surroundings of Bramham Park, we are delighted to offer unique hospitality facilities throughout the Event, suitable for entertaining clients, family or friends.

Our hospitality options for 2012 include both full day and lunch packages, and will be in a separate hospitality section of our Members' Bistro.

The Full Day Package is available for parties of 20 or more and will be served in your own private chalet, with a private ring-side garden. For smaller parties, we offer an attractive Lunch Package which will be served in the Hospitality area of the Members' Bistro.

Please note that hospitality packages are only available when booked in advance and will not be available on the day.

Private chalets can also be hired for alternative uses including meetings, product launches, staff training etc. Please contact the Horse Trials Office if you would like to discuss this aspect further.
