FACILITIES

Water, toilets and showers will be available to use from Wednesday morning. The nearest shop is Bramham Post Office (**LS23 6RD**), roughly two miles away. There will be cash machines on site located below the TopSpec Arena and in the Organiser's Office (during office hours).

FOOD AND DRINK

A good selection of food and drink will be available from catering concessions during event hours. Take away pizza is available to order on Friday night; the order form can be found at the back of this booklet. The Member's Bar and Bistro will remain open on an evening with free access to campers from:

Wednesday	-	All day
Thursday	-	8.00 pm
Friday	-	4.00 pm
Saturday	-	6.00 pm (with party)
Sunday	-	Closed

No unaccompanied under 18s will be allowed in the Member's area on an evening.

CAMP FIRES AND BBQs

Unfortunately we cannot allow camp fires as the risks involved are too great. Small disposable or gas barbecues are permitted, provided that you have a powder fire extinguisher to hand. Any gas cylinder must be secured in an upright position so that it cannot fall over. The cylinder must be attached to pipe work by a proper fitting.

GENERATORS

Please be considerate with your generators – your neighbour might be in a tent! Generators must be switched off between the hours of 11.00 pm and 7.00 am. They must be properly earthed if they have equipment attached to them.

GENERATORS (cont.)

Fittings must be properly fixed, and cables held under cable restrainers. If the generator is stored outside, the use of the old three-pin white socket is not permitted and must be replaced by blue external fittings. Please do not refuel your generator whilst the generator is hot; allow it to cool first.

PERIOD OF QUIET

Please remember to be considerate to other campers. We ask that everyone observes a period of quiet between the hours of 11.00 pm and 7.00 am. This includes turning off generators. There will be security staff at the camp site overnight; campers are required to follow their instructions and those who don't will be asked to leave the event with no re-admittance or refund due.

ACCIDENTS AND FIRST AID

If an accident occurs on the camp site please alert a Camp Site Steward. Please note that first-aiders will be site only whilst competitors are riding. If you have an accident outside of these hours, please call an ambulance if necessary and alert the Camp Site Steward. The nearest Accident and Emergency department is Leeds General Infirmary, Great George St, Leeds, LS1 3EX, tel: 0113 243 2799. If the incident is minor please contact the Camp Site Steward who can arrange non-urgent medical assistance.

MEMBER'S TICKETS

Member's tickets can be purchased from the Organiser's Office. Upgrading your ticket to Membership will permit admittance to the exclusive ring-side Member's Bar and Bistro. In the bar you will find an informal coffee shop, and in the bistro a table-service restaurant serving good quality warm meals.

SHUTTLE BUGGY SERVICE

A shuttle service will run between the camp site and main event site for those with mobility problems **only**. Please note that for Health and Safety reasons, motorized off-road vehicles (quad bikes, motor bikes, etc) are not permitted anywhere within the Park.

DISABLED FACILITIES

There are no disabled showers at the camp site. Disabled toilets are located on the camp site and around the event site. Event Mobility will be present and mobility scooters may be hired from them. Please contact Event Mobility on 01386 725391 or <http://www.eventmobility.org.uk> for more information.

DOGS

All dogs are welcome, though they must be on a lead, under control and attached to an owner at all times. All dogs must be cleared up after and waste disposed of in bins provided, or otherwise removed from the event site. Dogs should never be left unattended inside locked cars. Any owner found to be in breach of these rules will be asked to leave with no refund or re-admittance due.

CROSS COUNTRY COURSE

Please do not climb on the jumps or walk within the string of the cross country course. It has taken many months of hard work to ensure that the course is in top condition for competitors.

MOVEMENT ON SITE

The Organiser has taken reasonable precautions to ensure the Health and Safety of all present. For these measures to be effective, everyone must take reasonable precautions to avoid and prevent accidents occurring. Instructions of the Organisers, Officials and Stewards must be obeyed at all times.
